

Daily Attendance During Distance Learning:

Based on updates to the CA education code in SB-98, Section 43504, *“Each local educational agency shall document daily participation for each pupil on each school day, in whole or in part, for which distance learning is provided. A pupil who does not participate in distance learning on a school day shall be documented as absent for that school day. For purposes of this section, **daily participation may include, but is not limited to, evidence of participation in online activities, completion of regular assignments, completion of assessments, and contacts between teachers and pupils or parents and guardians.**”* If there is no evidence of daily participation by 3:00 PM, the student will be marked absent. It is your responsibility to contact the office and your child’s teacher in case of illness. Thank you for adhering to the attendance guidelines.
