Care Plan for Children with Special Needs If your child has a serious or chronic health condition (i.e. asthma, allergies, diabetes, seizures, etc.) please obtain a form from the school office or website. This form is for medication to be kept and/or administered during school hours and must be signed by the physician. The school office will accept other medical forms, such as those from Kaiser.

Permission to Carry and Self Medicate This form is optional and only required if your child's well-being is seriously in jeopardy unless the inhaler/medication/epi-pen is carried on his/her person, and you wish your child to carry their medication and self medicate. The **Care plan for Children with Special Needs** must accompany this form.
