HEALTH REQUIREMENTS For All New Students and Gr. 7 Students

New students Please upload all documentation during online registration or submit to the school office by **specified due date** to comply with California Department of Public Health and Diocese of Oakland School Dept. regulations.

No student will be allowed entry without proof of required immunizations, and TB risk assessment signed by the physician, and additional TB documentation if >1 risk factor.

TK and Kindergarten:

- Proof of immunizations (see Parents Guide to Immunizations Required for School Entry)
- A complete physical exam dated within 6 months of entry (on or after March 1) Use the form provided or submit a detailed health exam from the physician, such as Kaiser's form. If your child has a physical scheduled after August 1 of incoming school year, contact the office.
- Verification of a dental visit (dental form, letter, or invoice that includes name of student, dentist, and dentist address)
- Tuberculosis (TB) Screening within 6 months of entry (on or after March 1)
 - ***A TB risk assessment signed by the physician within 6 months of entry is mandatory.***
 - ***If >1 risk factor present, please also present one of the following: the result of the PPD/Mantoux skin test," or a physician's statement of "negative symptom screening," or a physician's statement of "no risk."***

Grades 1-8:

- Proof of immunizations (see Parents Guide to Immunizations Required for School Entry)
- A complete physical exam dated within 18 months of entry. Use the form provided or submit a detailed health exam from the physician, such as Kaiser's form
- Verification of a dental visit (dental form, letter, or invoice that includes name of student, dentist, and dentist address)
- Tuberculosis (TB) Screening within 2 years of entry.
 - ***A TB risk assessment signed by the physician within 6 months of entry is mandatory.***
 - ***If >1 risk factor present, please also present one of the following: the result of the PPD/Mantoux skin test," or a physician's statement of "negative symptom screening," or a physician's statement of "no risk."***

Grade 7: A Tdap booster on or after the 7th birthday is required for incoming 7th grade students. Please submit immunization record by June 1 of incoming 7th grade school year.

(see Parents Guide to Immunizations Required for School Entry)

Other

Care Plan for Children with Special Needs If your child has a serious or chronic health condition (i.e. asthma, allergies, diabetes, seizures, etc.) and medication must be administered at school, please submit this form, signed by the physician, to the school office. It may be obtained from the school office or website. The school office will accept other care plans, such as those from Kaiser.

Permission to Carry and Self Medicate This form is only required if your child's well-being is seriously in jeopardy without an inhaler/medication/epi-pen carried with them, and you wish your child to carry and self medicate. **The Care plan for Children with Special Needs must also be submitted.**
