## Frequently Asked Questions about Volunteering at St. Theresa

**Q. I volunteer frequently and regularly. Can I enter my hours by the month in a large block?**

A. No, to maintain accurate records, we ask that you make at least one entry for every day you volunteer. If you are volunteering twice in a day for unrelated tasks, please make two entries.

**Q. Do I still get hours for bringing items to classroom/school functions?**

A. No. Due to the large range in value of items that our parents generously donate, it has been determined that donating items to class events or other donations will not directly convert to volunteer hours. The time you spent in acquiring or making the items *can* be logged as volunteer hours (for example, shopping for forks for class event - 0.5 hours; getting and cutting up fruit for 25 people – 0.75 hours).

**Q. What if I have an idea to make an aspect of the school better? Can I invite myself to volunteer?**

A. Yes! Please contact a Parents' Club member or St. Theresa teacher or staff whose role is relevant to your idea. We appreciate any and all creative ideas and efforts you wish to contribute to improving our wonderful St. Theresa community. You do not need to wait for a volunteer opportunity to be formally announced.

**Q. What if I end up volunteering for the school in a spontaneous moment? For instance, I helped out after a game to haul some stuff and to clean up because the clean-up crew was overwhelmed. Do I get to log those hours?**

A. Yes! The time sheet form allows all volunteering hours to be logged, spontaneous or planned. If you put in the effort, you will get credit!

**Q: Why are we charged for missed “volunteer” Traffic and Event Center shifts?**

A: Traffic and Event Center duty are essential for the safe operation of the school. The Parents' Club worked to ensure distribution of shifts so that the burden is shared equitably among all families. The fine structure is in place to communicate the importance of these functions and help make sure that parents keep their commitment. The alternative to parental volunteers for these functions would be to hire outside staff, increasing the school's operational costs.

**Q. What if I have more questions?**

A. Please email our Volunteer Coordinators John O'Sullivan at [jfosull@gmail.com](mailto:jfosull@gmail.com) or Aspasia Iosifellis at [aspasia.iosifellis@gmail.com](mailto:aspasia.iosifellis@gmail.com) or send a message via Konstella.
